Project-Based Learning

Our school we use the teaching method of Project Based Learning, or PBL, to help students learn better. A project motivates students to gain knowledge, and they remember it longer. Projects give students the chance to apply the skills they learn in school to personally relevant and real-world situations.

Reminders

- Make sure your child has tennis shoes for PE.
- Please sign reading log and agenda each night.
- Student's reading reflection is due on Thursday.
- Student will receive rewards for perfect attendance with no tardies or early check outs each month!
